Invitation to the PLATINUM Webinar

## “Creating Communities of Inquiry: Focus on Students with Special Needs and on Mathematical Modelling”

Wednesday, June 9, 2021, between 14:00 and 17:00 EEST  
Thursday, June 10, 2021, between 14:00 and 17:00 EEST

### Webinar’s themes:

Communities of inquiry formed by university teachers of mathematics  
Design of inquiry tasks suitable for university students with special needs  
Inquiry and mathematical modelling

### Speakers:

 Barbara Jaworski (Loughborough University)

 Morten Blomhøj (Aarhus University)

 Paul Hernandez-Martinez (Swinburne University)

 Lukáš Másilko (Masaryk University)

 Iryna Mashkina (Borys Grinchenko Kyiv University)

 Gabriele Kaiser (University of Hamburg)

 Simon Goodchild (University of Agder)

 Nataliia Morze (Borys Grinchenko Kyiv University)

 Stephanie Thomas (Loughborough University)

 Serhii Martyniuk and Olga Barna (Ternopil Volodymyr Hnatiuk National Pedagogical University)

With the support of the  
Erasmus+ Programme  
of the European Union
